Daytona Stadium Assembles a New Management Team

Daytona Beach, FL., June 11, 2019 – Daytona Stadium, part of the DME Sports Venue Portfolio, is proud to announce our new management team. DME Sports co-owner Dan Panaggio recently introduced the new leadership duo and outlined the new operating structure. These two new, dynamic leaders will be running all aspects of Daytona Stadium sales and operations. The new Stadium Mission Statement was also introduced at the rollout event.

Tyler Savin: Director of Operations

A Long Island native, Tyler comes to us from St. Leo University in Tampa, where he spent the last 3 ½ years as the Assistant Director of Facilities and Operations for Athletics, which included 11 venues. Prior to St. Leo, Tyler was the facilities assistant at the University of Massachusetts Lowell.

Connor Rand: Business Development Manager

Born and raised in Ormond Beach and a Seabreeze High School graduate, Connor returns home after working for Polk County Tourism and Sports Marketing where he was the Sales and Event Representative for a wide variety of sports programming. Connor previously had a similar position with Leon County Division of Tourism.

THE DAYTONA STADIUM MISSION:

WE DEDICATE OURSELVES TO THE FOLLOWING PRINCIPLES OF CONDUCT AND RESPONSIBILITY:

- Act with integrity.
- Attract world class spectator-based events.
- Exceed customer expectations with an extraordinary fan experience.
- Engage in win-win experiences.
- Provide the highest quality facility conditions at all times.
- Continually develop and improve the technology and service to become the premier mid-size sporting and event venue in the Southeastern United States.
